REVIEWS:

"It's not surprising that Hopkins, a former stand-up comic, is the stand-out member of the cast..."

Gothamist

"Hopkins hits on great riffs and paralyzes her audience with laughter. Without warning she is transformed to dynamic comic genius."

Winnipeg Free Press

"New York-based actress Robin Hopkins proves to be a gifted mimic as she rewinds a semi-autobiographical tale of a quest for perfect romance...Her universal themes appeal to a broad audience. Funny as hell, too."
